EXPLANATORY STATEMENT:

The following Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (“Act”) sets out all material facts relating to the Special business mentioned at Items below of the accompanying Notice dated 24th August, 2023:

ITEM No. 3: ADOPTION OF NEW SET OF MEMORANDUM OF ASSOCIATION (MOA) OF COMPANY IN ACCORDANCE WITH COMPANY ACT, 2013

The object clause (Clause III) of the Memorandum of Association (“MOA”) of the Company, as presently in force, is based on the erstwhile Companies Act, 1956. According to the Companies Act, 2013, the companies are required to have only “the objects to be pursued by the company and matters which are necessary for furtherance of the objects specified”. The new set of MOA to be substituted in place of the existing MOA are in the format prescribed under ‘Table A’ of the Act which sets out the model MOA for a Company limited by shares. Copy of the draft Memorandum of Association of the Company would be available for inspection by the members at the Registered Office/Corporate Office of the Company on any working day between 2 P.M. to 4 P.M. upto and including the date of AGM and also at the venue of the meeting.

ITEM No. 4: ADOPTION OF NEW SET OF ARTICLE OF ASSOCIATION (AOA) OF COMPANY IN ACCORDANCE WITH COMPANY ACT, 2013

The Articles of Association (“AOA”) of the Company as presently in force are based on the erstwhile Companies Act, 1956 and several regulations in the existing AOA are no longer in conformity with the Companies Act, 2013. Further several regulations / articles of the existing AOA of the Company require alteration or deletion pursuant to changes in applicable laws. Therefore, it is considered expedient to wholly replace the existing AOA by a new set of Articles. The Regulations contained in Table ‘F’ of the First Schedule to the Companies Act, 2013 shall not apply to the Company except in so far as they are embodied in the Articles. Copy of the draft Articles of Association of the Company would be available for inspection by the members at the Registered Office/ Corporate Office of the Company on any working day between 2 P.M. to 4 P.M. upto and including the date of AGM and also at the venue of the meeting. None of the Directors or Key Managerial Personnel of the Company and/or their relatives is concerned or interested, financially or otherwise.

INDEPENDENT AUDITORS' REPORT

To
The Members of Shri Niwas Leasing & Finance Limited
Report on the audit of the financial statements

Opinion

We have audited the financial statements of Shri Niwas Leasing & Finance Limited (“the Company”), which comprise the balance sheet as at March 31, 2023, and the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (‘Act’) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its Profit Amount of Rs. 23,226/- and cash out flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2023, its profit/loss statement and its cash flows statement for the year ended on that date.

Key audit matters

In context of the Audit of the Financial Statements, it has been noticed that the Investments have been Valued at Book Value although the Market Price of the Investments is lower than the Book Value. As per AS 13 of Accounting for Investments it states that the Investments shall be Valued at Market Price or Book Value whichever is lower.

Information other than the financial statements and auditors’ report thereon

The Company’s board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's board of directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016, as amended from time to time, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The boards of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 (f) under ‘Report on other legal and regulatory requirements’ section of our report to the Members of Shri Niwas Leasing & Finance Limited of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Shri Niwas Leasing & Finance Limited (“the Company”) as at March 31, 2023, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

Our believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: COMPANY INFORMATION

Shri Niwas Leasing & Finance Limited is a public limited company (The Company) having registered office at 47/18, Rajendra Place Metro Station, New Delhi-110060. The Company is listed on the BSE (Bombay Stock Exchange). The company is engaged in financing business, trading in shares and investment activities. We believe that we are well placed to leverage on the growth opportunities in the economy.

Note 2: BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation and Measurement

(a) Basis for preparation of Accounts:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The financial statements are presented in INR, the functional currency of the Company. Items included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency'). Transactions and balances with values below the rounding off norm adopted by the Company have been reflected as "0" in the relevant notes in these financial statements. The financial statements of the Company for the year ended 31st March, 2023 were approved for issue in accordance with the resolution of the Board of Directors 12th May, 2023.

(b) Current - Non-Current classification

All assets and liabilities are classified into current and non-current as per company normal accounting cycle.

(i) Assets

"An asset is classified as current when it satisfies any of the following criteria:

- a.** It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b.** It is held primarily for the purpose of being traded;
- c.** It is expected to be realised within 12 months after the reporting date; or
- d.** It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

(ii) Liabilities

"A liability is classified as current when it satisfies any of the following criteria:-

- 1) It is expected to be settled in the company's normal operating cycle;
- 2) It is held primarily for the purpose of being traded;
- 3) It is due to be settled within 12 months after the reporting date; or
- 4) The company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity Instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

"Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents.

(c) Basis of measurement

These financial statements are prepared under the historical cost convention unless otherwise indicated.

(d) Key Accounting Estimates and Judgements

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the result of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual result could differ from these estimates. Any revisions to the accounting estimates are recognized prospectively in the current and future years.

(e) Tangible fixed assets

"Tangible fixed assets (except freehold land which is carried at cost) are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. Cost of acquisition includes freight inward, duties, taxes and other directly attributable expenses incurred to bring the assets to their working condition.

(f) Depreciation and amortisation

The company has followed the WDV method for the depreciation and amortization of all tangible and intangible assets. There is no change in the method of depreciation during previous year.

(g) Investments:

Investments are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

(h) Cash and Cash Equivalents:

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(i) Trade Receivables and Loans:

Trade receivables are initially recognized at fair value. Subsequently, these assets are held at amortized cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

(j) Provisions and Contingent Liabilities:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

(k) Revenue Recognition:

(i) Loan Income

In respect of loan agreements, the income is accrued by applying the impact rate in the transaction on declining balance on the amount financed for the period of the agreement.

(ii) Dividend income on investments is recognized when the right to receive the same is established.

(iii) No income is recognized in respect of non-performing assets, if any, as per the prudential norms for income recognition introduced for Non-Banking Financial Corporation by Reserve Bank of India vide its notification No.DFC.NO.119/DG/ (SPT)-98 date 31-01-1998 and revised notification no. DNBS.192/DG (VL)-2007 dated 22-02-2007.

(l) Expenditure:

Expenses are accounted on accrual basis.

(m) Provisions of Assets

The company makes provisions for standard and Non-performing Assets as per the Non-Banking Financial (Non-Deposit Accepting of Holding Companies prudential Norms Reserve Bank) Directions, 2007, as amended from time to time. The company also makes additional provisions towards loan assets, to the extent considered necessary, based on the management's best estimate.

Loan assets which as per the management are not likely to be recovered are considered as bad debts and written off.

Provisions on standards assets are made as per the notification no. DNBS.PD.CC.No. 002/03.10.001/2014-15 DATED NOV 10, 2014 issued by Reserve Bank of India.

(n) Provisions, contingents Liabilities and contingent Assets

(i) A Provision is recognized when the company has present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are not discounted to their present value are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(ii) Contingent Liabilities are disclosed separately by way of note to financial statements after careful evaluation by the managements of the facts and legal aspects of the matter involved in case of:

- (a) A present obligation arising from the past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- (b) A possible obligation, unless the probability of outflow of resources is remote.
- (c) Contingent Assets are neither recognized, nor disclosed in the financial statements.

(o) Income Taxes:

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognised directly in equity or in other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest expenses and penalties, if any, related to income tax are included in finance cost and other expenses respectively. Interest Income, if any, related to Income tax is included in current tax expense.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

(p) Employee Benefits

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. ECONOMIC OUTLOOK:

FY22-23 Macroeconomic Overview

Economy Back to Growth, Business as Usual

It is a big relief to see world economy getting back on growth. India started seeing economic revival in FY22-23 is certainly a turnaround year. Countries have adapted to Covid and consequently economies have opened up. This is due to higher inoculation of populations with vaccines. Environment is very positive. Economy Back to Growth, Business As Usual According to IMF's World Economic Outlook (Apr'22), Full Year GDP Growth in India averaged 6.19 percent from 2006 until 2023, reaching an all-time high of 9.10 percent in 2022 and a record low of -5.80 percent in 2021. According to IBEF, Strong economic growth in the first quarter of FY 2022-23 helped India overcome the UK to become the fifth-largest economy after it recovered from repeated waves of COVID-19 pandemic shock.. Real GDP in the first quarter of 2022-23 is currently about 4% higher than its corresponding 2019-20, indicating a strong start for India's recovery from the pandemic.

India's nominal gross domestic product (GDP) at current prices is estimated to be at Rs. 232.15 trillion (US\$ 3.12 trillion) in FY22. India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships. The world economy is projected to grow by 3.6% each in 2022 and 2023 from a growth of 6.1% in 2021 and normalize in the range of 3.3%-3.4% over the medium term. India is the third largest economy as per World Bank and is projected to fare better than peers with an impressive estimated growth of 8.2% in 2022 and 6.9% in 2023. As per various leading research institutions, Indian economy has the potential to deliver the highest GDP CAGR globally, driven by various structural policy measures taken by the Indian government.

Global Economic Overview:

The war in Ukraine has triggered a costly humanitarian crisis that demands a peaceful resolution. At the same time, economic damage from the conflict will contribute to a significant slowdown in global growth in 2022 and add to inflation. Fuel and food prices have increased rapidly, hitting vulnerable populations in low-income countries hardest. Global economic prospects remain extremely uncertain one year into the pandemic. New virus mutations and the accumulating human toll raise worries, while increasing vaccine coverage lifts sentiment. The outlook depends on the impact of virus and the effectiveness of vaccines; it additionally centres on how effectively economic policies are deployed under such uncertain times. The International Monetary Fund (IMF) projects global economic growth will fall to 2.9 percent in 2023 but rise to

3.1 percent in 2024. The 2023 forecast is 0.2 percentage point higher than predicted in the October 2022 World Economic Outlook but below the historical average of 3.8 percent. Rising interest rates and the war in Ukraine continue to weigh on economic activity. China's recent reopening has paved the way for a faster-than-expected recovery. Global inflation is expected to fall to 6.6 percent in 2023 and 4.3 percent in 2024, still above pre-pandemic levels. This is the weakest growth profile since 2001 except for the global financial crisis and the acute phase of the COVID-19 pandemic. Global inflation is forecast to rise from 4.7 percent in 2021 to 8.8 percent in 2022 but to decline to 6.5 percent in 2023 and to 4.1 percent by 2024. Monetary policy should stay the course to restore price stability, and fiscal policy should aim to alleviate the cost-of-living pressures while maintaining a sufficiently tight stance aligned with monetary policy. Structural reforms can further support the fight against inflation by improving productivity and easing supply constraints, while multilateral cooperation is necessary for fast-tracking the green energy transition and preventing fragmentation.
